What did we gain from this project?

- we studied our region with the eyes of teenagers: ATMOSPHERE of the place is for us more important than popularity

What did we gain from this project?

- we looked at our school with the eyes of teenagers,
- we started collecting waste paper and batteries,

What did we gain from this project?

- we discussed the problems and benefits of remote learning with project partners,
- we got to know the cultural treasures of the partner countries.

What did we gain from this project?

- there are 4 Latvian teachers who took part in an Erasmus project 1st time (Ingrīda, Ināra, Marina, Dace),
- we discovered new places in our region and met enthusiastic people .

Thank you Erasmus friends!
